### Year/Semester: 2026-27/Autumn

| Course Code | Course Name                                  | Credits | Tag                 | Grade        | Credit/Audit |
|-------------|----------------------------------------------|---------|---------------------|--------------|--------------|
| CS 405      | Game Theory and Algorithmic Mechanism Design | 6.0     | Department elective | Not allotted | C            |
| CS6008      | Network Security                             | 6.0     | Additional Learning | Not allotted | C            |
| CS7001      | Robot Perception and Learning                | 8.0     | Additional Learning | Not allotted | C            |
| IE 621      | Probability and Stochastic Processes I       | 6.0     | Additional Learning | Not allotted | C            |
| SI 507      | Numerical Analysis                           | 8.0     | Additional Learning | Not allotted | C            |

### Year/Semester: 2025-26/Spring

| Course Code | Course Name                                        | Credits | Tag                 | Grade | Credit/Audit |
|-------------|----------------------------------------------------|---------|---------------------|-------|--------------|
| BB 612      | Cell Mechanics and Mechanobiology                  | 6.0     | Additional Learning | BC    | C            |
| CM 509      | General Circulation of the Atmosphere and Oceans   | 6.0     | STEM Elective       | AA    | C            |
| CS 306      | Implementation of Programming Languages Laboratory | 3.0     | Core course         | AB    | C            |
| CS 317      | Database and Information Systems                   | 6.0     | Core course         | BB    | C            |
| CS 320      | Implementation of Programming Languages            | 6.0     | Core course         | BC    | C            |
| CS 349      | Database and Information Systems Lab               | 3.0     | Core course         | AB    | C            |
| CS 736      | Medical Image Computing                            | 6.0     | Honors core         | BC    | C            |
| ENT603      | Introduction to Entrepreneurship                   | 6.0     | Additional Learning | BB    | C            |
| HS 618      | Introduction to Indian Astronomy                   | 6.0     | HASMED Elective     | AA    | C            |

### Year/Semester: 2025-26/Autumn

| Course Code | Course Name                                             | Credits | Tag                 | Grade | Credit/Audit |
|-------------|---------------------------------------------------------|---------|---------------------|-------|--------------|
| CS 310      | Automata Theory                                         | 6.0     | Core course         | BC    | C            |
| CS 339      | Abstractions and Paradigms for Programming              | 6.0     | Core course         | BB    | C            |
| CS 348      | Computer Networks                                       | 6.0     | Core course         | BB    | C            |
| CS 355      | Programming Paradigms Laboratory                        | 3.0     | Core course         | BB    | C            |
| CS 378      | Computer Networks Lab                                   | 3.0     | Core course         | BC    | C            |
| CS 409      | Introduction to Cryptography                            | 6.0     | Honors core         | BC    | C            |
| CS 747 (S2) | Foundations of Intelligent and Learning Agents          | 6.0     | Department elective | BB    | C            |
| HS 467      | Indian Philosophy                                       | 6.0     | HASMED Elective     | AB    | C            |
| TA 101      | Teaching Assistant Skill Enhancement & Training (TASET) | 0.0     | Core course         | PP    | N            |

### Year/Semester: 2024-25/Spring

| Course Code | Course Name                                        | Credits | Tag                 | Grade | Credit/Audit |
|-------------|----------------------------------------------------|---------|---------------------|-------|--------------|
| CS 217      | Artificial Intelligence and Machine Learning       | 6.0     | Core course         | BC    | C            |
| CS 218      | Design and Analysis of Algorithms                  | 6.0     | Core course         | BC    | C            |
| CS 219      | Operating Systems                                  | 6.0     | Core course         | BB    | C            |
| CS 236      | Operating Systems Lab                              | 3.0     | Core course         | CC    | C            |
| CS 240      | Artificial Intelligence and Machine Learning (Lab) | 3.0     | Core course         | BC    | C            |
